

## Spring Conferences

Spring Conferences are only if the Teacher and/or Parent would like to have one. Below are the times available for your Spring Conference, if you would like one. Please indicate a 1st, 2nd and 3rd choice for the time spans & circle the day. We will do our best to schedule you within the times indicated. Conferences will last about 10 minutes, so have your questions/concerns ready to discuss. A confirmation slip with a specific time will be sent home with your child before the conference.
