Come Join Us For Mass

We will have a school Mass this Friday at 8:30. The third grade students and Ms. Schneider have prepared the Mass for us this week. If you are free, please join us.

Affordable Kindergarten Tuition

We have lowered our Kindergarten tuition to help make SJV more affordable to our parishioners. The tuition for the 2010-11 school year will be **\$2,500**. This is one of the lowest rates around. Our kindergarten is an all day program. For more information call the school office at 451-8395.

School Registration

We are accepting registration for the 2010-2011 school year. You can pick up registration information in the school office or call to have a packet mailed to you. For more information, call the school office at 451-8395. If you would like to see the preschool - sixth grade programs in session, tours can be arranged through the school office. Everyone is welcome to visit our school.

Father of the Year Essay Contest

Mrs. Skree's 4th, 5th, and 6th grade language arts students have written essays about their fathers/father figures. In their essays, they explained why their dads are great and deserve to be the Father of the Year. These essays have been entered into the 2010 Minnesota Twins Father of the Year Essay Contest. If your child has not shared his/her essay with you, ask them about it. We have some wonderful dads out there!

Volunteers Needed

Has God given you the gift of music? Have you had a desire to share that gift? SJV is currently looking for a volunteer to teach music to our students once a week. If you are interested, please call the office at 451-8395.

SJV Students in the Press

The South-West Review published a story on our 4th and 5th graders visit to the museum. The story and pictures were in the February 28th edition. There is a great story and some pictures of the students and Mr. Berry sleeping beneath a dinosaur.

Thank You, Ms. Pepperwolf

Our Public Achievement sessions have come to an end for the school year. There are many people to thank for a successful year. The biggest thanks goes to Ms. Pepperwolf. Pepper has donated her time and talents to help develop future leaders in our school. She is the driving force behind Public Achievement for our building. I feel blessed to have such a dedicated teacher on our staff.

Pohlad Grant

Thanks to the generosity of local businesses, parishioners, and parents, we have exceeded our goal of \$3,800 for the Pohlad Matching Fund Grant. Additional money and those funds collected will be used for tuition assistance for the 2009-10 school year. SJV school is very grateful to be a part of such a supportive community.

A Huge Success!

The Coffey family would like to thank all of the people at SJV who donated money and prayers to make Evan's 1st JDRF walk A BIG SUCCESS. With your help, he raised \$1450.

Nobel Peace Prize Festival

On Friday, March 5th, the 5th and 6th graders will travel to Augsburg College for the annual Nobel Peace Prize Festival. This event honors the laureate from last year, Martti Ahtisaari, former President of Finland and all the other laureates whose efforts have been recognized for making the world a better place. Our students in sixth grade have researched the life of Reverend Dr. Martin Luther King, Jr and are making a display which they will exhibit. The Festival is an annual event for young people (K-12) and is free and open to the public.
